Initial \_\_\_\_\_ 21. Additional Risks Posed by Wildfires: I understand that portions of the Western United States are at elevated risk of wildfires throughout the year. Wildfires are, by their nature are fast-moving, unpredictable, and dangerous. Wildfires can change course, forcing the facility to undertake emergency evacuations of horses and, with sufficient time, equipment, from the facility. Wildfires can bring flames, sparks, and hot objects. However, despite its

best efforts, Rancho Cielo LLC cannot guarantee that it can prevent or limit all wildfire losses. I understand that in an emergency situation caused by wildfires in the area where the facility is located, 18547 Aliso Canyon Road, Rancho Santa Fe, CA 92091 (as well as the farm's employees, agents, contractors, representatives, and/or

assistants) will undertake reasonable evacuation and mitigation efforts in good faith to minimize injury to or loss of horses and equipment on the facilities premises and/or in the facilities care, custody, or control.

Depending on numerous circumstances during a wildfire - including lack of availability of staff, trailers, trucks, fuel, traffic, visibility, severity of fire conditions, unstable ground or road conditions, risks to humans, and governmental directives restricting access or activity – Rancho Cielo LLC response and mitigation efforts could potentially result in some horses receiving attention, while other horses may not receive attention. I acknowledge and agree that Rancho Cielo LLC will proceed as reasonably as possible should a wildfire emergency occur that threatens to cross the facilities property. However, I understand that even with the best advance planning, and the best efforts in response to a wildfire, there is never a guarantee that the farm can save every horse on its property and save all equipment on the facilities property.

Initial \_\_\_\_\_22. In the event any one or combination of the Facility, it's successors and assigns, engages the services of an attorney to enforce the terms of this agreement, horse owner shall pay all costs and reasonable attorney fees incurred by the Facility, it's successors or assigns, whether or not suit is brought. In the event one or more parts of this contract are found to be unenforceable or illegal, the other portions hereof shall be deemed in full force and effect.

Initial \_\_\_\_\_23. This agreement is entered into in San Diego County. San Diego County shall be the legal forum for any dispute connected with this document. It also constitutes the entire agreement between the parties and cannot be modified except in writing signed by both parties.

The undersigned has read and understands the terms of this agreement, and knowingly and voluntarily agrees to be bound by all terms and provisions.

In witness hereof, the parties hereto have hereunto set their hands this day and year first above written.
